

ALM26 – conference, Lund, Sweden

Math in a Digital Age

July 7th – 10th, 2019

Proposal for contribution

Please complete the form below and supply an abstract or summary (500–800 words) describing the session you wish to contribute. Please ensure you indicate which type of session(s) you are planning to deliver (complete one form for each proposed contribution). Submit your proposal no later than 12pm GMT on Monday, March 25, 2019 to johan.haggstrom@ncm.gu.se

Note that preference will be given to sessions, which address the specific themes of the conference, Math in a Digital Age. You will get a reply from the organising committee by Friday, April 26, 2019. Deadline for submitting final abstracts for accepted sessions is Friday, May 17, 2019.
