ALM 21

"Adults Learning Mathematics –
Inside and Outside the Classroom"
Bern Switzerland 29th June – 2nd July 2014

Call for papers now open

Practitioners and researchers are invited to submit proposals on issues related to the theme of the conference. The session types range from paper presentations to workshops and topic groups. We encourage all presenters to involve delegates in interactive sessions. A full conference flyer is attached. To submit a proposal complete the proposal form on the conference website and submit it no later than 31st March 2014. <http://www.alm-online.net/alm-21/>

Conference Programme

The three days of the conference will focus on the following aspects:

Day 1: Learning inside the classroom

Day 2: Learning outside the classroom

Day 3: Coordinating learning inside and outside the classroom.

ALM Webinar Series 2014
