### Quality in education for financial literacy: top tips for adult learning practitioners

09/06/2016 by Andrew McCoshan

*Language: EN*

*Document available also in: DE FR IT PL ES*

*With so much growth in the last few years in education for financial literacy, it is pertinent to ask what we already know about the "secrets for success". Andrew McCoshan reviews some of the key international publications and works out what they mean for adult learning providers.*

Getting quality into anything, especially education, is never an easy task: there are no magic fixes. However,
